## High-Performance Scanning for Busy Offices.

The imageFORMULA DR-4010C departmental scanner features state-of-the-art technology that delivers exceptional image quality and speed. This fast, reliable scanner packs top-of-the-line features into a compact, user-friendly unit—without sacrificing image quality for speed.

### Speed Comes Standard

With all the features expected in a document scanner and more, the DR-4010C scanner turns stacks of documents into digital files with exceptional speed, accuracy, and ease, while taking up minimal desktop space.

Featuring an advanced 3-line CMOS sensor technology, the DR-4010C device scans documents at a rapid rate of up to 42 ppm\* and 84 ipm\* in color just as quickly as in black and white.

### Exceptional Image Quality

Fine lines and intricate image details are captured with utmost precision and clarity thanks to the DR-4010C scanner's advanced imaging technologies. The 3-line sensor combined with the pinpoint color matching of the Three-Dimensional Color Correction chip reproduces exceptionally vivid 24-bit color images.

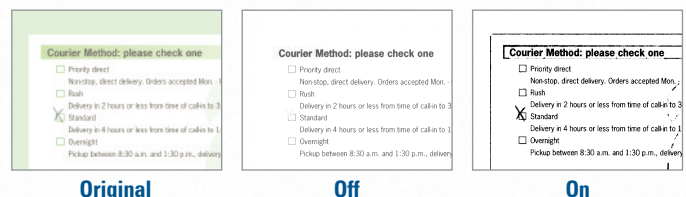

To further ensure image clarity the DR-4010C scanner is equipped with an automatic shading mechanism and extra-wide image sensor that adjust prior to each scan job for the finest image quality.

### Clean, Clear Image Reproduction

The DR-4010C scanner provides a clean and easy-to-read image in a matter of seconds. A hard-to-read document can be transformed into a crystal clear image with the Moiré function. \*\* Three new and improved text enhancement modes also optimize the readability of documents, such as light colored text and patterned background documents, for an accurate OCR.

The DR-4010C scanner is also equipped with Punch Hole Removal and Bleed Through Prevention/Background Removal technology.

#### Advanced Text Enhancement II Mode

## Advanced Scanner Features

The DR-4010C scanner is packed with advanced image processing features to boost scanning efficiency. For fast, unattended batch scanning, this scanner automatically detects page size, skips blank pages, straightens skewed images, rotates images that are sideways or upside down, and much more.

The DR-4010C scanner is equipped with Automatic Color Detection for easy, low-maintenance scanning. By detecting color, it eliminates the need to separate black-and-white and color documents prior to scanning.

## Reliable Document Feeding

Canon's innovative feeding mechanism with retard rollers helps ensure reliable page separation for fast, unattended batch scanning. The DR-4010C scanner is equipped with ultrasonic sensors that can detect a gap between overlapping pages to prevent double feeds. The Rapid Recovery System allows for seamless continued scanning, without the need to delete half-scanned images.

## Diverse Document Handling

The DR-4010C scanner features a versatile dual paper path designed to accommodate diverse document types. The default U-turn paper path handles batch scanning at high speeds, while a straight paper path provides the flexibility to scan plastic cards, fragile and thick documents. The DR-4010C device easily handles a wide variety of document sizes from business cards to legal size documents and up to 39" in long document mode. With its ability to handle a range of document types and sizes, the DR-4010C scanner provides the utmost document scanning flexibility.

## User-friendly Scanning

The DR-4010C scanner lets you assign routine scan tasks to three customizable one-touch job buttons for quick and easy scanning. With over 100 different job applications to choose from, this user-friendly model makes scanning operations a breeze.

## Bundled Software

### CapturePerfect®

Canon CapturePerfect scanning software makes it easy to turn virtually any document into a high-quality digital image. This software boosts document management productivity through a wide variety of file-saving formats and distribution options with the help of a user-friendly interface.

### Adobe® Acrobat®

The industry's leading application for the creation of PDF files, Adobe Acrobat, features robust tools for document sharing, security, file commenting, and much more.

\* Examples based on typical settings, rated in pages/images per minute with letter-sized documents, portrait feeding direction, up to 300 dpi. Actual processing speeds may vary based on PC performance and application software.

\*\* High-quality moiré reduction available at 600 dpi and high-speed moiré reduction available at up to 240 dpi.

## Specifications

<b>Type:</b>	Reliable Departmental Scanner
<b>Document Feeding:</b>	Automatic or Manual
<b>Document Size</b>	
Width:	2.1" - 8.6"
Length:	2.8" - 14"
Long Doc. Mode:	Up to 39.4"
<b>Document Weight</b>	
<b>U-Turn Path</b>	
Automatic Feeding:	14 - 32 lb. Bond
Manual Feeding:	11 - 40 lb. Bond
<b>Straight Path</b>	
Automatic Feeding:	14 - 32 lb. Bond
Manual Feeding:	11 - 144 lb. Bond
<b>Feeder Capacity:</b>	100 Sheets
<b>Grayscale:</b>	8-bit
<b>Color:</b>	24-bit
<b>Scanning Element:</b>	3-Line Contact Image Sensor (CMOS)
<b>Light Source:</b>	RGB LED
<b>Scanning Modes:</b>	Simplex, Duplex, Color, Grayscale, Black and White, Error Diffusion
<b>Color Dropout:</b>	RGB and Custom
<b>Optical Resolution:</b>	600 dpi
<b>Output Resolution:</b>	100/150/200/240/300/400/600 dpi
<b>Scanning Speeds*</b>	Simplex                  Duplex
Black and White:	Up to 42 ppm          Up to 84 ipm
Grayscale:	Up to 42 ppm          Up to 84 ipm
Color:	Up to 42 ppm          Up to 84 ipm
<b>Interface:</b>	Hi-Speed USB 2.0, SCSI-III
<b>Scanner Drivers:</b>	ISIS®/TWAIN for Windows® 2000/XP/Vista®
<b>Dimensions (H x W x D):</b>	7.3" x 12.5" x 10.9"
<b>Weight:</b>	14.1 lb.
<b>Power Consumption:</b>	25W or Less (Energy Saving Mode: 3W or Less)
<b>Suggested Daily Volume:</b>	5,000 Scans

### BUNDLED SOFTWARE

- ISIS/TWAIN Drivers
- Canon CapturePerfect 3.0
- Adobe Acrobat 8 Standard

### OPTIONS

- Exchange Roller Kit
- Barcode Module III
- One-Year CarePAK®
- Two-Year CarePAK

### OTHER FEATURES

- Ultrasonic Double-Feed Detection
- Automatic Color Detection
- Automatic Page Size Detection
- Advanced Text Enhancement (Three Types)
- Skip Blank Page
- Deskew
- Custom Color Dropout/Enhance Color
- MultiStream™
- Batch Separation
- Pre-Scan Function

### ITEM NUMBER

DR-4010C: 1321B002

\* Examples based on typical settings, rated in pages/images per minute with letter-sized documents at 200/300 dpi unless specified. Actual processing speeds may vary based on PC performance and application software.
